Al Marhoon Contracting is a reputable industry leader in piping works, steel structures, civil engineering, and plant maintenance. With extensive expertise and experience, we deliver exceptional results in diverse projects. Our skilled team excels in handling various materials for precise installation, maintenance, and repair of piping systems.

We also design, fabricate, and erect robust steel structures, meeting clients' functional and aesthetic requirements. In civil engineering, we undertake infrastructure development, site preparation, and construction management, adhering to the highest quality standards.

Additionally, our plant maintenance services ensure optimal performance and longevity, minimizing downtime and disruptions. With a commitment to quality and sustainability, **Al Marhoon Contracting** is your trusted partner for superior craftsmanship and excellence in every aspect of our work.

▶ Our History

Al Marhoon Contracting is a leading construction company in Saudi Arabia with a history spanning over two decades. We offer diverse construction and maintenance services, collaborating with renowned organizations on various projects.

▶ Our Vision

Al Marhoon Contracting aims to be the leading provider of construction and maintenance services in Saudi Arabia, setting industry standards through innovation and expanding their successful project portfolio.

▶ Our Mission

Al Marhoon Contracting strives to provide exceptional construction and maintenance services, exceeding client expectations and contributing to Saudi Arabia's infrastructure development.

▶ Our Values

Al Marhoon Contracting upholds integrity, safety, collaboration, and innovation as fundamental values, dedicated to delivering excellence and exceeding expectations in every project.

It is the policy of **Al Marhoon Contracting** to provide construction and maintenance services related to civil, electrical, and mechanical work. The company is dedicated to complying with customer requirements and continually improving the effectiveness of its Quality Management System. It is crucial for all staff members to understand that this Quality Policy, along with the associated procedures and systems, is mandatory.

Aligned with our Vision and Mission, we are committed to the following strategic objectives:

- Providing services that fully meet our customers' requirements.
- Ensuring compliance with all relevant statutory and regulatory requirements.
- Continually improving the effectiveness of our Quality Management System in accordance with ISO 9001:2015.
- Periodically reviewing our objectives and achievements to drive continual performance improvement in our processes.
- Planning and evaluating our processes by considering associated business risks.
- Communicating this Quality Policy to all relevant departments and ensuring its understanding across the organization.
- Regularly reviewing our Quality Policy to align with international standards and maintain relevance.
- Maintaining the flexibility to integrate other related management system requirements.
- Upholding our prestigious position as one of the leading companies in the Kingdom of Saudi Arabia.

At **Al Marhoon Contracting**, we are dedicated to delivering high-quality services that meet customer expectations. We strive to meet and exceed industry standards while continuously improving our processes to ensure customer satisfaction and achieve excellence in our field.

Al Marhoon Contracting places a strong emphasis on corporate social responsibility (CSR) as an integral part of its business philosophy. The company recognizes its role as a responsible corporate citizen and is committed to making a positive impact on society and the environment. **Al Marhoon Contracting** actively engages in various CSR initiatives aimed at promoting sustainable practices, community development, and employee well-being.

Furthermore, the company actively supports community development initiatives. **Al Marhoon Contracting** invests in projects that enhance education, healthcare, and infrastructure in local communities. Through partnerships with non-profit organizations and community outreach programs, the company aims to uplift and improve the well-being of individuals and society as a whole.

Employee welfare is of utmost importance to **Al Marhoon Contracting**. The company promotes a safe and inclusive work environment, prioritizing the health, safety, and professional development of its employees. By fostering a culture of respect, diversity, and equal opportunities, **Al Marhoon Contracting** nurtures its workforce and encourages their active participation in CSR activities.

Through its commitment to corporate social responsibility, **Al Marhoon Contracting** demonstrates its dedication to sustainable practices, community engagement, and the well-being of its employees. By integrating CSR into its operations, the company strives to create a positive and lasting impact on society while upholding its core values.

At **Al Marhoon Contracting**, we are committed to:

- Ensuring the safety of our employees, subcontractors, and all individuals involved in our activities by providing a safe working environment and fostering a safety culture.
- Developing a positive health and safety culture throughout our organization, aiming for zero Lost Time Injuries and prioritizing the health and well-being of every individual.
- Adopting recognized best practices that comply with local and national health and safety legislation, while also meeting the highest international standards and aligning with **Al Marhoon Contracting's** procedures and standards.
- Providing adequate training to all employees to enhance safe working practices, promoting a zero-tolerance approach to unsafe acts that could lead to financial, legal, and moral obligations.
- Identifying occupational hazards, evaluating risks, implementing control measures, and taking corrective and preventive actions before commencing any activity, with the active involvement and support of all employees.
- Continuously monitoring and reviewing work procedures to ensure the adoption of new methods and safe working practices.

The Occupational Health and Safety Policy is an integral part of our core business at **Al Marhoon Contracting**. Our project management team will regularly review the policy to ensure its compliance with legal requirements and its ongoing relevance, achievability, and credibility. We are committed to maintaining a safe and healthy work environment for all, and we strive for continuous improvement in our health and safety practices.

Our Services that we provide at Al Marhoon Contracting:

- ▶ **Construction and Engineering Solutions**
- ▶ **Pipe Fitting and Installation**
- ▶ **Steel Structure Fabrication and Erection**
- ▶ **Steel Pipe Welding Services**
- ▶ **GRP/FRP Lamination**
- ▶ **Construction Project Management**
- ▶ **General Labor and Skilled Trade Support**
- ▶ **Quality Assurance and Safety Compliance**

We provide our services to the below sectors:

- ▶ **Industrial Production Facilities**
- ▶ **Commercial Facilities (Malls, Stadiums, etc..)**
- ▶ **Education (Schools, Colleges and Universities)**
- ▶ **Health Institutions (Hospitals and Medical Centers)**
- ▶ **Farms and Municipalities**
- ▶ **Residential Buildings and Private Villas**

I. Construction and Engineering Solutions

At **Al Marhoon Contracting**, we provide comprehensive construction and engineering services tailored to meet our clients' unique needs. With a commitment to excellence and extensive experience, we are your trusted partner from concept to project completion.

Project Management Expertise:

Our skilled professionals excel in project management, ensuring meticulous planning and execution. We prioritize effective communication, transparent collaboration, and adherence to timelines and budgets. With our robust approach, we keep you informed every step of the way, seamlessly realizing your vision.

Construction Excellence:

With expertise in construction, we bring precision and quality craftsmanship to your project. Our skilled workforce, trusted suppliers, and subcontractors ensure high standards. We prioritize safety, attention to detail, and industry best practices, resulting in superior, lasting construction outcomes.

Choose **Al Marhoon Contracting** for unwavering commitment, expertise, and dedication to excellence. Experience the difference of working with a construction and engineering partner focused on your success. Let's turn your dreams into reality together.

II. Pipe Fitting and Installation

Al Marhoon Contracting is a leading provider of pipe fitting and installation services. With expertise in various pipe materials, our skilled pipe fitters ensure precise installation and maintenance. We prioritize efficient and reliable operation, offering comprehensive maintenance and support services. Choose us for reliable pipe solutions that meet your expectations.

III. Steel Structure Fabrication and Erection

Al Marhoon Contracting Company is a trusted partner for the fabrication and erection of robust steel structures. Our experienced team excels in reading engineering drawings, precise welding, and assembly, ensuring high-quality, durable steel frameworks.

Expert Fabrication: Our skilled fabricators analyze engineering drawings meticulously, ensuring accurate cutting, shaping, and welding of steel components. With a focus on precision, we fabricate steel structures to the highest quality standards.

Robust Erection: Our experienced erectors efficiently and safely assemble steel components on-site, following industry best practices and safety protocols. We prioritize structural integrity and stability during the erection process.

High-Quality Steel Frameworks: We source high-quality steel materials and employ advanced techniques for proper alignment, welding, and assembly. Our steel frameworks are built to last, meeting project requirements and industry standards.

Compliance and Safety: We adhere to local regulations and industry standards, prioritizing compliance and implementing stringent safety measures. Regular inspections ensure a safe working environment.

Timely Project Delivery: We manage projects efficiently to meet timelines without compromising on quality. Our goal is to deliver results on time, allowing you to proceed with your project plans.

IV. Welding Services for Steel Piping

Al Marhoon Contracting Company offers exceptional welding services for carbon steel and stainless steel. Our team of experienced welders specializes in various welding techniques, ensuring precise welds and structural integrity. We prioritize precision, structural integrity, and quality in our welding services, adhering to industry standards and conducting rigorous quality control measures. Choose us for your welding needs and experience the expertise of our skilled welders, providing you with peace of mind and confidence in the longevity of your structures.

V. GRP-FRP Piping Lamination

Al Marhoon Contracting Company specializes in GRP/FRP lamination, offering durable and reliable components for various applications. Our skilled laminators excel in meticulous lamination processes, precise molding techniques, and accurate cutting and trimming. We prioritize quality control and assurance, ensuring that our GRP/FRP components meet or exceed industry standards. Choose us for your lamination needs and experience the expertise and dedication of our skilled laminators.

VI. Construction Project Management

At Al Marhoon Contracting, our comprehensive project management services encompass seamless coordination, efficient scheduling, effective budget control, and comprehensive oversight. Our experienced team ensures clear communication and collaboration among stakeholders, maintains project schedules, and monitors costs. We provide oversight and quality assurance throughout all project phases, adhering to design specifications and industry standards. Choose us for your construction project management needs and experience our expertise in delivering successful outcomes while meeting timelines, budgets, and quality standards.

VII. General Labor and Skilled Trade Support

At Al Marhoon Contracting, we offer a comprehensive range of skilled laborers and tradespeople for construction projects. Our team provides general labor support for various tasks and specialized tradespeople for specific trades. We prioritize flexibility, adaptability, quality, and safety in our services. Trust us to deliver efficient and reliable labor support and skilled trade expertise to contribute to the success of your construction projects.

VIII. Quality Assurance and Safety Compliance

At Al Marhoon Contracting, we prioritize quality assurance and safety compliance in all our projects. We implement robust quality assurance processes, conduct regular inspections, and adhere to standardized procedures to deliver exceptional results. Safety is a core value, and we strictly comply with regulations, conduct risk assessments, and provide ongoing training to ensure a safe working environment. Our qualified personnel receive continuous training and contribute to a culture of learning and improvement. Trust us to deliver projects that meet the highest quality and safety standards, providing peace of mind and successful outcomes.
